Manufacturers & Suppliers of FIBC & PP Woven Small Bags

Shri Khemisati Plaspac LLP

About Shri Khemisati Plaspac LLP

An ISO 9001,14001 & 50001 Company

Operating since 2013, Shri Khemisati Group is a company driven by passionate first-generation entrepreneurs having an understanding of all packaging needs. The Company set up a Greenfield Project in Manufacturing PP/HDPE Woven Fabric, Sacks/ Bags & PE Liners.

In the year 2017 Started Manufacturing of FIBC Bags. The company has set standards for manufacturing Jumbo bags of the highest quality and durability.

The unit is located in Silvassa, which is a Union Territory of Dadra & Nagar Haveli around 170 km from Mumbai, the financial capital of India & in Close Proximity to Nhava Sheva - the Largest Port of India. With quality manufacturing & prompt service at the core of our heart, **Shri Khemisati** believes in a healthy lifestyle and produces a focused range of Flexible Intermediate Bulk Containers (FIBC) catering specifically to small and large scale industries in India, Europe, Middle East and USA.

Shri Khemisati Plaspac has installed state of the art modern technology plants & machineries for high quality manufacturing of FIBC & PP Woven Sacks. Currently we have production capacity of 9000 Metric Tonnes Per Annum.

Back in 2017, when we started production of FIBC our objective was to strive towards becoming the most reliable and trusted supplier of FIBC /Jumbo bags. With the support and optimism shown by our clients towards our products, we have been successfully able to do so.

With an innovative approach and the desire to keep getting better, we provide our customers with solutions to grow their business while ensuring that their packaging needs are cared for.

Currently we are serving hundreds of domestic customers and doing exports to many countries in Europe, Middle East & USA. As on today the company enjoys a very high reputation for consistent best quality of products & committed service to the customers.

Shri Khemisati Plaspac is proud to have all the required Quality Assurance Certification under :-

ISO 9001:2015 - Quality Management System

ISO 14001:2015 - Environmental Management System

ISO 50001:2018 - Energy Management System

Shri Khemisati Plaspack LLP
